YEARS TO COME**

- Recognizing a special person in your life
 - Showing gratitude to a colleague
 - Honoring a mentor
 - Retirements
 - Recognizing your law firm

The Palm Beach County Bar Association is very proud to announce that we will be moving to a new, permanent facility by January 2012. We invite you to be part of this new building by purchasing a brick and making a permanent footprint in the entranceway. Buy a brick for yourself or in honor or memory of friends or loved ones.; pay tribute to someone who has made an impact on your life or career. You can have a name, law firm, or message engraved that will be permanently displayed. Your generous donation will allow us to provide facilities that will enhance member services and promote professionalism.

To order your personalized brick, contact:
