

Goals of the Road to the Bench Subcommittee

Our goal is to provide attorneys from diverse backgrounds, who are interested in serving on the Palm Beach County Bench, with a comfortable environment to learn more about the Judicial Nominating process.

We invite those knowledgeable with the process to serve as Mentors (such as former members of the 15th Circuit Judicial Nominating Committee (JNC), retired Judges who were appointed after going through the JNC process, or others) and agree to personally meet with interested applicants (Mentees) to provide them with their insight and guidance into the Judicial application and nominating process.

We also encourage members of the Bench & Bar to recommend those you think would be interested in participating in this program as Mentors or Mentees.
