Welcome to our new member benefit - our new online directory and eList. Members' photos are currently being added, but if yours does not appear, be sure to email a current photo to us. Also, coming soon, will be archived copies of the *Bar Bulletin*

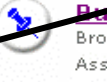

- You can easily search the Directory by first or last name using the search box above right.
- We are pleased to offer our members an eList capability that will allow our members to send emails to members with similar interests. We have found that eLists can be very beneficial and encourage you to sign up for as many lists as you would like. Further directions can be found on the "edit my profile" page.
- Coming Soon: You will be able to view Bulletin Newsletter Archives by clicking on the Bulletin Board.

If you have any problems or have questions about how to use the Directory, please send an email to the [Site Administrator](#)

Once again, we sincerely thank **REGENT BANK** for their sponsorship of this new member benefit.

This is the first page you will see after logging in. When entering the site for the first time, you should go to **My Profile** to view the information we have on record for you and to make any changes, if needed. This is also where you will sign up to participate in the ListServes for your interest area(s).

My Profile Page

Use this page to make any changes to your address information. Below is your information that appears in the directory. Update any field at any time. If you click the "Hide" checkbox next to a field, that information will be excluded from other member searches. When your entries are complete, click "Save Changes" or "Cancel" to clear. Note: Some areas may be locked and therefore ineligible for edits.

To subscribe to an eList, simply:

Scroll down to the box entitled E-Lists. Select the group(s) that you would like to participate in (if choosing more than one group, hold the Ctrl key down while selecting the various groups). You will receive an email confirmation providing you with the address you will need in order to send a message to a particular eList.
