

BENCH BAR 2019

WELCOME

We are excited to introduce Bench Bar 2019. For over forty years, the judges and lawyers of the Fifteenth Judicial Circuit and Palm Beach County have met at an annual conference to discuss issues pending in the Circuit, discuss evolutions in the law, and reconnect with colleagues. The Bench Bar Conference continues to serve as the largest gathering of Palm Beach County judges, attorneys, and staff, and offers a unique forum at which to discuss the pressing issues with the judiciary. This year, the Bench Bar Conference is on February 22, 2019 at the Palm Beach County Convention Center. The theme is “Breaking Barriers and Sharing Solutions.”
